

Janet McNulty

Rehabilitation Case Manager & Occupational Therapist

Bsc (Hons), OT

Injury Expertise:

**Lower-level spinal injuries including Cauda Equina
Amputations.
Multiple trauma
Complex orthopaedics
Stroke and other neurological conditions**

Profile:

- Janet is a registered Occupational Therapist and an experienced Case Manager who specialises in management of rehabilitation for patients with complex injuries, including spinal cord injury, amputations, multiple trauma and orthopaedic injuries and, stroke and neurological conditions.
- Janet always strives to ensure her patients receive the best possible care and support to assist them in returning as far as is practicable to their pre-injury status; this includes addressing their physical, psychological, cognitive and environmental needs as well as providing support and assistance where possible with return to work and exploring alternative vocational options when this is not possible.
- She works closely with other members of the Medicess multidisciplinary team advising and consulting on all aspects of physical and medical rehabilitation, including the impact co-morbidities might have on an individual's rehabilitation.

Background:

- Janet qualified as an Occupational Therapist in 1999 and prior to joining Medicess worked as an Occupational Therapist in Local Authority Community Care Services before moving into private practice as an Expert Witness, Independent Occupational Therapist and Associate Rehabilitation Case Manager.
- Through her work in statutory services and private practice, Janet gained over 20 years of experience assessing adults and children in the community who had very complex physical disabilities and rehabilitation needs which also encompassed mental health issues.
- Janet is highly experienced in recommending and arranging the provision of therapy, care packages and, equipment and adaptations to facilitate rehabilitation for an injured person in an efficient, effective and practicable way and is very skilled at liaising with professionals in private, statutory and legal services.
- Janet developed experience and an in-depth understanding of the medicolegal process through her work as an expert witness and has given evidence in court. She therefore has a clear understanding of the differing roles of the expert witness, case manager and treating therapist, in addition to being aware of the Civil Procedure Rules and the Rehabilitation Code.

Qualifications & Memberships:

- BHSc(Hons) Occupational Therapy,
- HCPC registered,

-
- Member of the British Association of Occupational Therapists,
 - Member of CMSUK & BABICM.
