

Vicki Nadarajah

MDT Physiotherapist

MSc MCSP

Injury Expertise:

Orthopaedic Trauma
Musculoskeletal Injuries
Polytrauma
Spinal Injuries

Profile:

- Vicki has worked as a Physiotherapist since qualifying in 2003 and is registered with the Health Care Professions Council (HCPC).
- She works closely with the other members of the Medicess Multidisciplinary team providing both an expert review and clinical opinion on the physiotherapeutic management of clients who are case managed by Medicess. This ensures that all patients are receiving personalised and evidence-based physical rehabilitation.
- She has excellent interpersonal and communication skills, which allow her to develop a supportive rapport with patients and clients alike.
- Vicki is highly experienced in the management of complex musculoskeletal and orthopaedic trauma injuries, including polytrauma, spinal injuries, and amputations.

Background:

- Vicki has worked in specialist orthopaedic and musculoskeletal roles since 2005.
- She has worked as a clinical specialist in trauma and orthopaedics in tertiary NHS hospitals.
- Vicki works with Medicess and is also currently continuing to work part-time in the NHS as an extended scope physiotherapist specialising in hip disorders and injuries.
