

Simone Spark

Rehabilitation Case Manager & Registered Nurse

RGN, Dip OH

Injury Expertise:

Complex Injuries
Vocational Rehabilitation
Psychological Trauma

Profile:

- Simone is a Registered General Nurse and has worked in the community setting, Occupational Health and the Insurance industry since 2008.
- Simone brings extensive experience in assessing the functional impact of physical and psychological conditions on patients' lives and uses a holistic approach and a high standard of professional support to optimise recovery.
- She has excellent interpersonal and communication skills, which allow her to develop a supportive rapport with patients during their rehabilitation.
- She works closely with other members of the Medicess Multidisciplinary team to ensure her patients receive support, taking into consideration their needs from a biopsychosocial perspective.
- Simone specialises in the management of rehabilitation for patients who have sustained trauma and psychological injuries.

Background:

- Simone has experience of working in a variety of settings, including Community nursing, Occupational Health and Income Protection insurance. Prior to qualifying as a nurse, she worked in the insurance industry handling claims.
- She has gained professional skills in nursing, people management, teaching, occupational health and case management.
- Simone has a special interest in vocational rehabilitation, facilitating a return to work either in the patient's pre-injury role or an alternative role.
- She has also trained colleagues in her previous role to become confident Mental Health First Aiders, qualifying as a Mental Health First Aid Instructor in 2018.

Qualifications & Memberships:

- Registered General Nurse,
- Diploma in Occupational Health,
- Mental Health First Aid Instructor and member of MHFA,
- Registered with the Nursing and Midwifery Council (NMC),
- Member of Royal College of Nursing (RCN),
- Case Manager Member of the CMSUK & BABICM.
